System Review Report

July 26, 2011

To Riley & Associates, P.C.
And the Peer Review Committee of the
Massachusetts Association of Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Riley & Associates, P.C. (the firm), in effect for the year ended May 31, 2011. My peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the Massachusetts Association of Public Accountants. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on my review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary. As required by the Standards, engagements selected for review included engagements performed under Government Auditing Standards.

In our opinion, the system of quality control for the accounting and auditing practice of Riley & Associates, P.C., in effect for the year ended May 31, 2011, has been suitably designed and complied with to provide the firm reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*.

Riley & Associates, P.C. has received a peer review rating of *pass*.
