

Price Guideline

To provide you with a *guideline*, these are our estimated costs for tax preparation

Personal Returns

- Base rate for personal tax preparation by general staff is \$175, \$200 for Peter Riley. Returns with schedule C (self-employment), schedule E (rental property) and returns with extensive capital gains and other investment issues will be in the \$200 to \$350 range and up depending on level of complication as well as the quality, accuracy and timeliness of the information we are given.
- There is a administration fee of \$20 on each return to cover paper costs and handling
- Electronic filing is \$25
- A processing fee is \$25 is assessed on additional state returns due to the high annual licensing costs of our software

Business Returns (corporations, trusts, partnerships, etc)

- Base rate for most business returns is \$400, this rate can increase depending on level of complication as well as the quality, accuracy and timeliness of the information we are given.
- There is a administration fee of \$20 on each return to cover paper costs and handling
- A processing fee is \$70 is assessed on all business returns due to the high annual licensing costs of our software
- Electronic filing is \$30

Non-profit Organizations

- Base rate for the Federal 990 and the Massachusetts PC is \$750
(other costs similar to the business returns listed above)

Other Costs

- Postage is generally \$10
- Request for additional copies of tax returns is \$10
- General hourly rates range from \$100 to \$175

These prices are provided as a general estimate; please consult our staff for specific pricing for your returns and/or other work
